ST. PATRICK'S DAY PARTY

This event will help fund Marist Catholic High School's Project Starfish & support the **G Street OASIS Program** at CCS, which started in 2016. This collaborative program provides an oasis of **stability for homeless families with children** in Springfield, helping them find affordable housing, improve family income, and maintain school attendance. Your gift helps homeless families with children take positive steps to move out of poverty and become more self-sufficient.

A day program for Springfield families in transition

MEET DEBBIE & CHRISTOPHER

"In my eyes this place is a blessing ... all my needs are met."

Debbie and her grandson, Christopher, were homeless and struggling. The G Street OASIS provided food, showers, laundry, help finding a job, and 1-on-1 support for several months while Debbie searched for (and found) affordable housing.
